One business per trade on each card, whatever size you choose.

Save with more months

Reserve 3 to 11 months and **save 10%**. Reserve 12 or more and **save 20%**. Seeing the same name month after month is how neighbors come to know it.

How paying works

- Per card, per month, per neighborhood.
- You choose your size and your months, then pay once, securely, for all of them.
- Each neighborhood has its own card, so two neighborhoods means two spots.
- Donations can differ by neighborhood; each neighborhood page shows its own.

Check your trade and see the card at locals4good.org.
